

# JUNE 17<sup>TH</sup>, 2015 OREGON VOLUNTEER FIREFIGHTER RELIEF FUND BENEFIT GOLF TOURNEMENT

Let's answer the call for those who serve us!

This one day Golf Tournament will benefit the Oregon Volunteer Firefighters Association Firefighter Relief Fund. The Relief Fund provides monetary support to Firefighters and their families during times of need. Who can Volunteer Firefighters count on in their time of need? You can help by participating, sponsoring a hole, or inviting others to come out and play. Everyone is encouraged to join us in supporting the efforts to provide relief funds for those who answer the call.
